Great, thanks for the reminder, Erica! Yes, this had occurred to me, and I was starting to think about it. I've already started compiling relevant files, etc.

I'll make sure it's noted in our work plan under the organizational management area.

Tom and Karina,

I just spoke to Vince and he confirmed that the NEP program evaluation will be in 2019. There is no specific date is set, but we would probably have a kick-off call in December 2018.

I bring this up b/c it would be good to include a placeholder in your FY 2019 workplan.

Best,

Erica
